

From sermon on Sept. 18th & 19th

Galatians A Gospel of Truth

Text: Galatians 2:1-10

Purpose: Paul continues the need to share his story because others have betrayed him. He shares his character and heart. Grace has saved him and it's grace that he continues to teach.

Opening Question: *How would you describe yourself in 3 words?*

Read and Discuss: Galatians 2:1-10

- 1. Why did some believers oppose Paul? Why do you think their traditions, extra rules, rituals were so important to them?*
- 2. How do you describe grace? Paul talks about grace over his life. How would you describe grace over your life?*
- 3. Why do you think Paul is going to great lengths to defend grace? What is at stake?*
- 4. When do you find yourself defending God's grace over your life? From others? From ourselves?*
- 5. Why do you think Paul finishes this section with "remember the poor"? How does grace affect our service to others?*
