It Runs in the Family Love One Another

Text: John 13:34-35

Purpose: The phrase “One Another” is often used in the New Testament as a command for Christians to build, love, and encourage one another as the church. We are looking at how we can invest in each other for our own growth and unity in the church.

Opening Question: *In what ways are you like your parents?*

Read and Discuss: John 13:34-35

1. *Why do you think Jesus had to give a command to the disciples to “Love One Another”?*
2. *What is challenging about loving other people?*
3. *What does it look like to love someone? Do you have any examples?*
4. *Why do some people not allow others to love them?*
5. *What is the result of a group of people who truly love each other?*
