## **Galatians**

### **A People in Need of Transformation**

**Text:** Galatians 5:1-15

**Purpose:** Transformation comes through grace by the Holy Spirit not through our efforts in works.

**Opening Question:** *What is one thing about your life that has changed through COVID?*

**Read and Discuss:** Galatians 5:1-15

1. *In vs. 4, what do you think Paul means when he says some have been alienated from Christ by those who are trying to be justified by the law?*
2. *In vs. 6, what does “faith expressed through love” look like? How do you live out your faith with love?*
3. *In verse 7-8 Paul talks about false teachings that confuse us or distract us from God. What kinds of things get in the way and bring confusion to your spiritual life?*
4. *In vs. 13, how do we live in freedom without indulging in the flesh? If we have freedom, how do we honor God with that freedom?*
5. *In what ways has the Holy Spirit led you, taught you or matured you this past year?*
